

BURN BARRELS

If you are burning garbage you're making poison.....

- Did you know that burning garbage is prohibited in the Township of Minden Hills?
- Harms your Families health,
- Pollutes the air, water and soil.
- Causes wildfires,

Burn Barrels must be designed, installed, used appropriately and approved for use in the Township of Minden Hills. Burn Barrels are just like any other burn pit, fireplace or campfire, they must follow the Open Air Burning bylaw for the Township, if you need more information please contact the:

Minden Hills Fire Department, 705-286-1202.

Install a solid screen that can not be easily knocked off.
